

Notes on September 2007 Class Size Tables

Includes classes in grades kindergarten to eighth grade in community school districts.
Includes classes identified as Collaborative Team Teaching (Inclusion) Bridge classes, where two or more sections meet in a single classroom and have grade codes for General Education and Integrated Special Education at the same grade level.
Excludes classes in pre-Kindergarten, 9th grade, 10th grade, 11th grade, 12th grade, and self-contained special education.
Excludes all other bridge classes, where two or more sections meet in a single classroom and the grade codes are across grade levels or include self-contained special education.
Excludes classes with fewer than five students and greater than 50 students.
