NOTES: As of March 31, 2011. Obligated denotes a signed contract with a grant sub-recipient. Information on obligations was not available for the original ESDC \$700 million allocation, which was administered directly by ESDC. Items from this allocation are assumed to be fully obligated. Pending represents \$24.6 remaining to be allocated from the funds previously marked for the utility program and \$4.1 million from LMDC's primary allocation, unaccounted for in the most recent submission to HUD. Totals may not add due to rounding.
