SOURCES: IBO; City University of New York: New York State Higher Education Services Corporation; U.S. Department of Education.

NOTES: The Federal Grants total assumes that only 40 percent of total Pell grants received by CUNY students each year cover tuition expenses. The remainder cover non-tuition expenses such as books and housing. Only the tuition portion is included here. The years listed are city fiscal years. City fiscal year 1989 corresponds to academic year 1988-1989, etc.
